# separate above details into service and price range

Here's your list separated by service and price range in Sri Lankan Rupees (LKR), using one-time pricing unless noted:

## 1. Basic websites

- Simple brochure / landing page site per client: LKR 25,000 – 60,000
- Small business website (restaurant, shop, salon, 1–3 pages, forms, mobile-friendly): LKR 45,000 – 80,000

## 2. Webapps & booking systems

- Simple booking / appointment system (services, clinics, salons): LKR 80,000 – 180,000
- Advanced booking / marketplace-style webapp (multiple roles, payments, analytics): LKR 200,000 – 600,000+

## 3. POS systems (stores, supermarkets, retail)

- Starter POS (single-terminal, basic billing, simple inventory): LKR 75,000 – 120,000
- Standard POS (multiple terminals, barcode, user roles, reports): LKR 150,000 – 300,000
- Enterprise POS (multi-location, cloud-sync, integrations): LKR 300,000 – 500,000+

## 4. Restaurant-focused POS + QR / ordering

- Basic restaurant POS only (no QR): LKR 80,000 – 200,000
- POS + QR-scannable menu + simple ordering (one-time): LKR 150,000 – 300,000
- POS + QR / ordering (monthly subscription model): LKR 10,000 – 20,000 / month

### 5. QR-scannable menus

- **Basic QR menu (static PDF / simple web page):** LKR 8,000 – 20,000
- **Dynamic QR menu (online panel to edit menu, categories, prices):** LKR 25,000 – 70,000

### 6. Mobile apps

- **Simple utility / info app (no heavy backend):** LKR 150,000 – 300,000
- **Business app with login, payments, and analytics (restaurant, e-commerce, booking):** LKR 300,000 – 600,000+

### 7. Bundled packages

- **Mini bundle (basic website + QR menu):** LKR 60,000 – 100,000
- **Medium bundle (website + QR menu + simple POS):** LKR 180,000 – 300,000
- **Premium bundle (website + POS + booking / online ordering + QR menu):** LKR 300,000 – 500,000+

If you want, I can turn this into a clean **service–price table** you can paste into your website or WhatsApp catalog (with columns: Service, Description, Price Range).
